Beauties and the Beach

Tennyson's *Ulysses* said we are "always roaming with a hungry heart." The urge to get away from it all is universal, but the destinations we choose are varied and personal. We travel for a sense of freedom and adventure, driven by the desire to see and experience new places and to leave our daily cares behind. On the following pages, a host of sensual women have been photographed in fabulous and far-reaching locations. Welcome to paradise, wherever your fantasies tell you that may be. Never mind the passport, just bring your imagination along and leave the rest to us.—*Playmates in Paradise,* March 1994
